Volunteering

There are many opportunities to volunteer in Seymour and surrounds – and many groups keen to welcome new members. For example: -

Are you interested in travel, tourism and meeting new people?
You might volunteer at the Seymour Visitor Information Centre.

Are you interested in assisting people and have a couple of hours free each month?
You might help with Meals on Wheels.

Are you able-bodied and available to assist your community at short notice?
You might consider joining the Seymour Urban Fire Brigade.

Have a browse through this Directory and think about getting involved and 'giving back' to your community – call one of the many groups listed or contact the Volunteer Development Officer at Mitchell Shire Council on 5734 6200.

Weather

Seymour has a warm inland climate due to its position north of the Great Dividing Range: beautiful clear autumn days, hot February weather and frosty July mornings.
